

Computing Undergraduate Research Symposium 2026

ComURS 2026

"Next-Gen Solutions for a Digitally Connected World."

28th January 2026

Faculty of Computing, Sabaragamuwa University of Sri Lanka

Call For Abstracts

The Computing Undergraduate Research Symposium 2026 (ComURS2026), organized by the Faculty of Computing, Sabaragamuwa University of Sri Lanka, aims to provide a platform for university undergraduates to showcase their research findings and foster a culture of scholarly engagement among talented students. Building on the success of the inaugural event, ComURS2026 will mark the Third Computing Undergraduate Research Symposium of the Faculty. The symposium is scheduled to be held as a one-day physical event on the 28th of January 2026, under the theme, **"Next-Gen Solutions for a Digitally Connected World."**

The symposium's goals are to encourage academic excellence, promote networking and collaboration, enhance visibility, and leverage shared resources for the benefit of undergraduates and the wider academic community
